Professional Summary

Proficient React Frontend Developer with a strong background in creating responsive and user-friendly web applications. Skilled in React.js, modern web design, and frontend development tools. Passionate about crafting pixel-perfect designs and delivering impactful solutions that enhance user experience. Committed to continuous learning and contributing innovative ideas to dynamic projects.

SKILLS

Programming Languages**: JavaScript (ES6+), C, C++**
Frontend Development**: React.js, Redux, Redux Toolkit, HTML, CSS, Bootstrap, Tailwind CSS, Styled-Components**
Web Design Tools**: Figma, Canva**
Development Tools**: Git, GitHub, Postman, VS Code, Browser DevTools**
Concepts: **Responsive Design, Accessibility (WCAG Standards), Object-Oriented Programming (OOP), API Integration, Component Lifecycle**

PROJECT

Kerala Tourism Website

- Developed a responsive tourism website using React.js, showcasing dynamic routing, reusable components, and optimized state management with Redux Toolkit.
- Enhanced user engagement by 25% through visually appealing UI and seamless navigation.

To-Do List React App

- Built a task management app using React.js and Redux for efficient state management.
- Streamlined task performance and load efficiency by 30%, ensuring a smooth user experience.

YouTube Clone

- Designed a YouTube front-end replica using HTML and CSS, focusing on responsive layouts and media query optimizations.
- Successfully demonstrated CSS Grid and Flexbox expertise for cross-browser compatibility.

Portfolio Website

- Created a personal portfolio website using React.js and CSS, integrating modern UI/UX principles.
- Increased recruiter engagement by 15% through a visually compelling and interactive design.

Certification

- React - The Complete Guide (Udemy)
- Frontend Web Development (freeCodeCamp)
- Responsive Web Design Certification (freeCodeCamp)

EDUCATION

Web Development (Self-Learning)   **2023 - Present**

Ongoing education focused on web development, with a particular emphasis on the MERN stack and modern frontend frameworks.

Diploma in Computer Hardware Engineering   **2018- 2021**

E K Nayanar Memorial Model Polytechnic, Kalliasseri,Kannur, Kerala, India

Higher Secondary School - Commerce with Statistics   **2016- 2018**

GHSS kannadiparamba, Kannur, Kerala, India

Achievements

- Recognized as a top performer in React-based projects with consistently high-quality code reviews.
- Achieved 90% positive feedback for project designs adhering to accessibility and responsive design standards.
- Successfully completed multiple projects aligning with Agile methodologies and team collaboration practices.

Interests

- Staying updated with emerging web technologies and frameworks.
- Participating in hackathons and coding challenges to enhance problem-solving skills.
